COMPOSITE CEMENT

# About Us

Strong Gold Cement Private Limited distinguishes itself from other cement producers in the region by the variety and quality of its products and customer-focused marketing and logistics. With a robust maritime fleet, it has slowly expanded its reach across Chhattisgarh, Odisha and M.P.

## Vision

Emphasize the company's long-term focus on growth, continuous improvement, and contribution to infrastructure development at local and national levels. Our aim, to be a responsible corporate citizen, and to be sensitive to the welfare and development needs of the society around them.

## Mission

"To manufacture and supply durable, high-performance cement with competitive price. Our aim is to produce various types of products that supports and fulfill different needs of construction activities and contribute positively to the communities we serve."

## Director Message

Strong Gold Cement Pvt. Ltd. is one of the fastest growing SME's in its field. It is run with its Mission to achieve its Success and try to give the best Quality Cement. The Company has been serving the society since last 18 years. The company was formed in September 2005. Strong Gold Cement Pvt. Ltd. wants to be everyone's Companion who Dreams about their own Property.”

## Quality Policy

At Strong Gold Cement Private Limited, we are committed to produce high-quality cement products that meet customer expectations, comply with industry standards, and ensure the safety and satisfaction of our employees. We aim to deliver superior cement by maintaining a consistent approach to production, adhering to established processes, and focusing on continuous improvement.

## Our Commitments Include

**Product Quality:** To produce high-quality cement that supports the growth of our communities and helps build a sustainable future. Hence we will manufacture cement that meets the required strength, durability, and consistency standards, ensuring the expected performance for our customers.

**Customer Focus:** We are dedicated to meeting our customers' needs and requirements by delivering high-quality products on time, providing excellent service, and addressing any concerns promptly.

**Continuous Improvement:** We will continuously assess and improve our processes, technology, and training to enhance the efficiency of our operations and the quality of our products.

**Compliance:** We will comply with all relevant environmental, safety, and quality standards and regulations, ensuring that our operations are sustainable and safe for all stakeholders.

---

By maintaining these commitments, we wish to establish long-term relationships with our customers, suppliers, and employees based on mutual trust and the delivery of high-quality cement products.
